Fracino Contempo 3 Group

The Contempo 3 group model boasts a stainless steel finish that shines like polished chrome. The design of the machine reflects a modern interpretation of style that makes for a stunning, yet timeless focal point in any cafe, bar or restaurant. Fracino's Contempo machines are semi-automatic or electronically controlled. The Contempo 3 group has three group heads for making coffee and steam wand for frothing and steaming milk, plus a hot water facility for tea. The Contempo 3 group has a large capacity boiler, high-powered elements and is hand built to the highest standards, using only the finest stainless steel, copper and brass.

- Top quality copper boiler heated by multiple looped element
- Automatic water level system with a probe, electronic control unit and solenoid valve
- Automatic group cleaning cycle
- Standard clearance is 125mm and the high group (latte glass) option is 150 mm
- Thermosyphonic circulation ensures the group is kept constantly hot for perfect coffee making
