Cafe Bologna

The Cafe Bologna has a very compact footprint but delivers great coffee for its size. With a clean and stylish black glass finish, the Vitro is built around already proven and reliable technology. With one bean hopper and two instant canisters it offers a wide selection of your favourite fresh bean barista style drinks.

It's versatile tank fed water supply means you can use it without the need to connect it to the mains, but the tank fed model can easily be converted to mains supply at a later date if needed. There are lots of options such as base cabinets and payment validators. A perfect high quality drinks machine, fit for any break-out area, small kitchenette or bar/restaurant
