Cafe Catania

The Cafe Catania instant drinks machine can be the perfect solution for a wide variety of sites. With 3 or 4 internal canisters, the Cafe Catania provides you with a huge variety of drinks options at the touch of a button, from black coffee and latte, to hot chocolate, hot water and espresso.

Incredibly user friendly, its intuitive touch screen allows you to adjust the strength and size of the hot drinks you make – catering to all kinds of drink preferences. Designed with high-quality parts and intelligent heating, the Cafe Catania has an impressive output of 160 cups per day. This allows it to cope with the demands of offices, breakfast buffet stations and events.
