Chocolate Galaxy Pro 160

The Chocolate Galaxy Pro 160 machine is the complete solution for dispensing deliciously luxurious hot chocolate at the touch of a button. Easy to use and maintain, the machine makes it simple to offer hot chocolate in waiting areas, convenience stores, service stations and other high footfall areas.

Designed to output up to 100 cups per hour, the hot chocolate machine is ideal for busy areas. And thanks to the transparent ingredient canister, refilling is effortless.
