Cafe Delisa 2 Group

An intertwining of tradition and innovation is the key to its success. Cafe Delisa is the perfect response to what all baristas require from a mid-range coffee machine: A touch screen interface and an energy saving mode, to name just a couple.

Cafe Delisa has been designed to address a barista's every requirement. The backlit front keyboard together with the LED-illuminated working area ensure Cafe Delisa is an extremely practical and efficient coffee machine.
