coffee 1652

Cafe Palermo

The outstanding in-cup quality of Cafe Palermo in a new generation of reliable and aesthetically appealing design, ideal for hotels, restaurants, and offices with an average daily output of 200 cups.

The Cafe Palermo builds on Krea's success, setting a new reliability standard with durable components like a long-lasting pump for consistent performance in demanding settings.

- The 16g Z4000 brewing system handles various recipes and is removable for quick maintenance
- 10" customisable portrait touchscreen intuitively and efficiently guides the user through drink selection
- Flexible 160mm dispensing area with adjustable cup holder, ideal for various cup sizes
- Secondary door allows grounds removal without a key, making cleaning faster
