Cafe Pod Grande

Something for everyone: our Grande model. The ultimate capsule machine for larger families and offices where everyone appreciates the option of choice. It has an enormous 3.5-litre water tank, a container for 29 capsules and a useful display. This makes operation very easy. Anyone can make their favourite drink thanks to a wide selection of capsules (and four programmable drink buttons): espresso, lungo, cappuccino, latte macchiato, filter coffee, tea, chai latte and chocolate. Cleaning and maintenance are much lower than for a fully automatic machine because there is no grinder and the milk foam comes out of the capsule.

- Water tank capacity: 3.5 L
- Water filter compatible
- Automatic capsule ejection
- Capsule container: Up to 29 capsules
- Programmable cup volume
- Programmable auto power-off
- Reduced brewing temperature for milk-based drinks
- Warm up time: Approx. 15 secs
- Descaling programme
- Cleaning programme

Dimensions (WxHxD): Approx. 200 x 316 x 406 mm
Pump pressure: Up to 19 bar
Weight: Approx. 4.5 kg
Cable length: 1.45 m
